

# Check Writers

Check writers are critical to financial institutions. In fact, check writers can be considered the most important account holders when it comes to *driving revenue*.

**\$150,000+**

**Account holders with** annual income of **\$150,000+** tend to write multiple checks every month.<sup>1</sup>

**Acquire 2 more** financial products / services than non-check writers<sup>2</sup>

**Loyal**

**Carry higher balances**

**Have more products**

**Have more investable assets**

- **Affluence** is more highly correlated to check writing than to age
- Regardless of age, **as income increases**, so does check utilization

**18.3 billion checks** are written each year
